Trackgard[™] Overhead Door Track Protectors

**Structural Steel Design Keeps
Shipping Areas on Track**

Overhead doors are vital to your shipping area. Door tracks are often susceptible to damage by fork trucks or other moving equipment.

Keep them protected with Wildeck[®] Trackgard[™] protectors. A tough steel barrier shields door tracks from damage, preventing costly repairs and down time.

Ideal in any facility with fork truck or heavy cart traffic near loading areas.

GUARDING

TRACKGARD[™] PROTECTORS
