COLUMN PROTECTOR

For Safeguarding Your Workplace

Wildeck has the solution to industrial forklift damage and accidents.

Wildeck Column Protectors are an inexpensive way to reduce expensive damage to your capital investment, by adding an extra measure of protection to your building columns.

Anchored to the floor, column protectors withstand the punishment from a forklift truck, helping avoid costly repairs and downtime.

- ▶ Painted Safety Yellow
- ▶ Prefabricated, no on-site modifications necessary
- ▶ Strong and Durable
- ▶ Quick and Simple Installation
- ▶ Internally Positioned Anchors
