

ELEVATE YOUR STANDARDS

For Convenient Access to Equipment

In addition to the protective features of standard rails, Lift-Out rails allow for easy removal of rail sections for convenient access to machinery or equipment for servicing.

Railing systems can be ordered in single or double rail design. Column centers are identical for Wilgard Standard and Lift-Out guard rails. All components include necessary hardware.

- ▶ Painted Safety Yellow
- ▶ Prefabricated, no on-site modifications necessary
- ▶ Strong and Durable
- ▶ Quick and Simple Installation

Specifications:

Rails - Corrugated 11 gauge steel

Columns - 5" x 5" x 3/16" wall structural tubing

Base Plate - 12" x 12" x 3/4" plate
